Throughout 2010, 21 photographers have been invited to tell with their camera Muccassassina's nights taking place in Rome each Friday: backstage, drag-queens dressing up, portraits of dancers and go-go boys, last but not least an amazing overview of the crowd while enjoying, drinking or dancing...

Furthermore, a section inside the book is intirely devoted to a fascinating unfolding of Muccassassina's history through the years made with images as well as texts which allow the reader to fully comprehend the most crucial social and cultural changes occurred in Italy over the last 20 years.
