*L'unico eri tu* (You were the only one): a photographer, Stefano Giogli, encounters 34 teenagers, and portray them, by means of camera, while daydreaming in their most intimate universe that is their bedroom!

Giogli approaches this subject, that of teenager's portrait, which is extremely stimulating but tricky at the same time, with great sensitivity and delicacy.

He seems to be perfectly at ease; as a consequence, teenagers seem not to be shyly afraid of disclosing to him their "realm", the bedroom, where posters, drawings on the wall, gadgets, furnitures, curtains and colours reveal the teenager's personality.
