TEXT ITA/ FR

Luigi Ontani, Marco Tirelli, Jacques Monory, Enzo Cucchi, Jannis Kounellis, are only a few among the many artists Valdarnini portrayed in the intimacy of their atelier. In these shots the artists' artworks and their tools contribute to define their personality.

Eluding the traditional cliché of celebrative portraits the author sharply transforms the meeting with the artists in a moment of true sincerity.

34 color portraits
of artists
in their atelier
