PAGES 104  
PRICE € 35

44 PHOTOS  
YEAR 2014

*Saudade Moon* is a wonderful and immersive journey across Brasil.

The images in this book penetrate the heart and soul, the very existence of this country. Photojournalist Paolo Marchetti captures events, landscapes and people and sees them in a romantic way as with "saudade": a Portuguese word which means an emotional state related to nostalgia, melancholy, and bitter sweet longing. Through the photographer which filters reality into his own style we see Brasil and its people in an unprecedented, remarkable and penetrating way.

The photographs in this book individually and combined create an ephemeral visual poem that agitates the senses and ignites emotion.

**An intimate journey into  
the heart of Brasil**

**Paolo Marchetti** is a photojournalist represented by Getty Images and based in Italy, he has been working for about thirteen years in the cinematographic and commercial industry. He publishes his works in Italian and foreigners weekly magazines such as *L'Espresso*, *Internazionale*, *Vanity Fair*, *Marie Claire*, *Io Donna*, *Corriere della Sera*, *6MOIS*, *Sunday Times*, *British Journal of Photojournalism*, *The Guardian*, *Geo - Spiegel*, *Newsweek*, *CNN*, *New York Times*, *International Herald Tribune*, *Lightbox* and *Time*.
